**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I use Sonic as my internet service provider. The other providers in my area such as AT&T and Comcast do not provide the speed and service that I need. Sonic provides fiber to my location while my previous providers, AT&T and Comcast do not. Sonic's fiber provides the gigabit speed I need to accommodate my working at home and having multiple computers sharing the internet access. The cost of the combine internet and telephone service are significantly lower than when I had my previous providers.

Please do not limit my choice of services for the internet and telephone.
